

Exclusively customized  
iCast Transmitter

Exclusively customized  
iCast Receiver

PN 74278

Also includes: I<sup>2</sup>C Hub(8 port), I<sup>2</sup>C Interface, M-RCA Cable,  
3.5 M-M Cable, APM Mini Power Supply

The iCast system can be ordered to add wireless capability to existing Aria™ spas  
and SpAudio® systems.

- When adding iCast to an Aria spa, we strongly recommend you also install an IQ 2020™ remote control.
- To add iCast to an existing SpAudio system, a Sony® XA-300 Adapter Kit and ASP Board Upgrade Kit are also required.

# SpAudioCast™ iCast™ Systems
